

The Contract regards rental of a sales place at Rebuy Store

The contract concerns the tenant who is renting a booth, referred to as 'client' below, and Rebuy Store.

Booking / Selling

The first rent is paid in advance in connection to the booking. The contract extends automatically, and the client always has priority to the sales place until the contract is terminated. The rental includes a sales place, namely a booth, staff service and marketing. The minimum rental time is one week (seven days).

Items being sold at Rebuy must be in good condition and clean. If the item has minor damages it shall be stated clearly on the tag that it is for example a "damaged item". Severely damages items are not allowed. Items being sold at Rebuy shall also be fully legal. Rebuy has the right to remove items that are not approved/allowed. All items being sold are the client's responsibility.

Unapproved items are: Pornographic material, drugs, used or old make up, used or old underwear, weapons, ammunition, pyrotechnical items, pirated products, stolen goods, and food items.

If the client is guilty of sales tax fraud or similar, a notice of assessment shall be shown. The client is fully responsible for their own incomes.

The client is responsible for pricing and placement of their products and to keep the sales place tidy. No items are to be placed outside the rented booth or be hung from the ledge without permission from the staff.

Termination / Checkout

Termination of the contract shall be notices minimum two days prior to checkout. The contract extends automatically for one week (seven days) at a time until notice to terminate the contract has been given. The client is obligated to empty the sales place before the checkout. At checkout the sales place shall also be cleaned. If the sales place is left unclean Rebuy has the right to charge a fee according to used price list. It is possible to leave items which have not been sold at assigned place, these then accrue to the store.

At checkout the tags shall remain on the items. The client is responsible for not bringing home any other items than their own at checkout. Spot checks of items can occur. At checkout the sales balance (with deduction of rent and/or other fees) is disbursed. Pay-out is primarily given via Swedbank's SUS-service.

Price Tags

The client is responsible for price tagging the items that are up for sale. The tags are not allowed to be altered or changed. If the client wishes to change the price of an item a new tag shall be put on the item by the client. Items with inaccurate or missing tags are stored for two weeks, and thereafter accrue to the store.

Service

The store provides free lending of hangers. If the client has valuable or expensive items alarm pins are available for renting. Bigger items such as furniture, bicycles, etc., are sold by payment of a commission fee. Please contact the staff before bringing bigger items to the store since there might be a lack of space. Smaller articles of higher value can be placed in locked showcases and are sold by payment of a commission fee. The commission fee is usually 20 percent of the items' price, see used price list.

Responsibility

Rebuy do not hold responsibility for destroyed or vanished items (camera surveillance is used). Rebuy do not replace fire damaged or water damaged items. Suspected theft is reported to the Police and the matter is then regarded as shoplifting.
